The new **Elegant Kata** evolves: the *must-have* karategi chosen by top champions and Kata practitioners has been renewed to offer even higher performance. The design meets the ever-changing needs of the professional athlete, enhancing every movement down to a fraction of a second for a perfect tournament execution.

Technical Features of the New Elegant Karategi

The restyling of the Elegant model introduces key details that improve the uniform's aesthetics and stability on the body:

- **Maximum Durability:** Cuffs, ankles, and the bottom hem of the jacket feature a double reinforcement with 16 rows of stitching.
- **Premium Fabric:** 100% cotton with a Repps weave (weight: 400-410 g/sqm) in optical white.
- **Exceptional Snap Effect:** The fabric is engineered to be rigid, crisp, and snappy with every technique.
- **Sanforized Treatment:** The sanforization process prevents the cotton from shrinking when washed correctly.
- **Design and Cut:** Specifically designed with a Kata cut to enhance the athlete's physique.
